

## WG-355 DUAL

The Wonder Grip® WG-355 Dual is based on our innovative Dualiner™: the nylon knit wrist goes up to the middle of the hand to ensure a snug and secure fit, while the breathable microfibre knit liner for the knuckles and fingers provides excellent dexterity, softness and fingertip precision. The single latex coating of WG-355 Dual helps to maintain excellent grip in a wide variety of applications, helping you overcome work challenges with precision, every day.

### KEY FEATURES

- ✓ Ultra-lightweight microfiber and nylon yarn combined liner, engineered to accelerate the sweat evaporation process
- ✓ Freedom of movement on the upper part of the hand and a snug fit on the wrist, ensuring an excellent level of sensitivity and comfort
- ✓ Proprietary latex coating, providing a secure grip in wet environments

### TYPE OF PROTECTION

- General purpose
